PROJECT ANEMONE

PINKY AND THE BRAIN.

electric bluefish PRODUCTIONS

AN EXTENSION OF YOUR BRAIN.

- A Place to store step by step information from multiple sources

    - Quotes from tutorial pages

    - Code from documentation or stack overflow

- Can <u>intelligently</u> recommend steps or related articles based off of existing uploaded data.

electric bluefish PRODUCTIONS

SHOULD BE MORE ORGANIZED THAN OUR BRAIN.

- Automatic tagging/grouping suggestions

- Allows for commenting and annotation.

    - Stylus input allows for highlighting and marking up content.

- User/Group permissions so that users can see just the content they need

- Similar to Kapeli “Dash” App

    - Fast

    - Searches entire API documentation pages
